

The Humanitarian Service Project

Serving Humanity since 1979

Senior Citizen Project: Providing over 13,300 pounds of groceries monthly to 133 seniors in need residing in DuPage and parts of Kane County. Over 100 lbs. a month for each senior, plus "Secret Pal" gifts every month and Christmas gifts every year. A sponsorship of only \$70 a month makes all of this possible.

Children's Birthday Project: Spreading smiles to 700+ children in need throughout DuPage and parts of Kane County on their birthdays. A \$54 annual sponsorship translates to a birthday box of toys, games, books, arts & crafts, and party supplies for a child.

Feed the Kids: Serving 100 families in need (410 children) with 600+ pounds of groceries worth \$1,500 for the food-insecure months of June, July and August. A sponsorship of \$75 a month provides nutritious food during the summer months.

Christmas Offering: In 2015, 150 families from our Children's Birthday Project received 3+ weeks worth of groceries, and 142 additional families received a turkey and a holiday meal box. In total, 2,272 children in 1,107 families and 133 seniors received Christmas presents.

School Supplies: Keeping children equipped to succeed in school. In 2015 3,000+ children in need received school supplies required for the upcoming year.
