

THE BOOK DRIVE

by the **Humanitarian Service Project**

CHAPTER 1:

YOU can give the gift of reading to a child

As part of the **Children's Project**, **boys** and **girls receive** 4-7 new books in their "**Birthday Box**".

Each year, our goal is to gather **6,000** books to help reach children aged **3 to 12**. Our greatest need is books best suited for children ages **8 to 12**.

Any contribution is greatly appreciated!

YOU have a chance to put books into the hands of children and their homes.
