

Party-in-a-Bag

for HSP's Children's Project

Every child deserves to be celebrated which is why we include a Party-in-a-Bag in every one of the 700+ birthday boxes we provide each year!

A Party-in-a Bag provides basic party supplies for children's 3rd-12th birthdays.

You can help ensure families have what they need for their child's big day by donating complete Party-in-a-Bags or general party supplies.

A complete Party-in-a-Bag is a 10-12" gift bag containing:

- 1 box of cake mix (expiration date of at least 6 mos from now)
- 1 can of frosting (expiration date of at least 6 mos from now)
- 1 package of at least 8 paper plates
- 1 package of paper napkins
- 1 package of at least 12 candles
- 1-2 rolls of streamers
- 6-12 balloons

All items must be new and unopened.

Please coordinate the items so each bag has a theme and/or all items match a color scheme.

You may also choose to add any coordinating decorations, tablecloths, cups or party hats.

Please do not include favors or candy.

Complete Party-in-a-Bags and/or general party supply donations may be dropped off at our center Monday-Friday between 8:30 am–5:00 pm.
