Subject: Thank You for Making Magic Happen! 😊

January 15, 2026

Hi Friends,

I hope your holidays were wonderful and your new year is off to a great start. Today I enjoyed taking a walk down memory lane as I looked through all these pictures of your smiling faces. It brings me such happiness to thank all of our incredible friends that made the 47th Annual Christmas Offering such a huge success. All your generous donations and volunteer efforts brought happiness and comfort to seniors, children and their families.

Your tremendous support made it possible for 1,856 children in 1,112 families to experience an unforgettable Christmas as they opened toys, books and gift cards on Christmas day. You made it possible for 248 seniors to purchase exactly what they wanted with the gift cards they received.

During 2025, your commitment to feeding those that are hungry, enabled us to provide 2,330 grocery gift cards to seniors and 137,234 meals to seniors, children and their families. With more people coming for help in 2025 than the year before, you made sure we had the resources to provide them with food and essential items. You gave families and the elderly the ability to cook together and share laughter around the table as they ate meals with their loved ones.

Your generosity, kindness, and willingness to give to those in need is a blessing to so many. You helped seniors that have worked hard all their lives and now are thankful to have people like you they can count on during difficult times. You made a difference to parents that are working hard to make a better life for themselves and their children, but struggle to afford life's basic necessities.

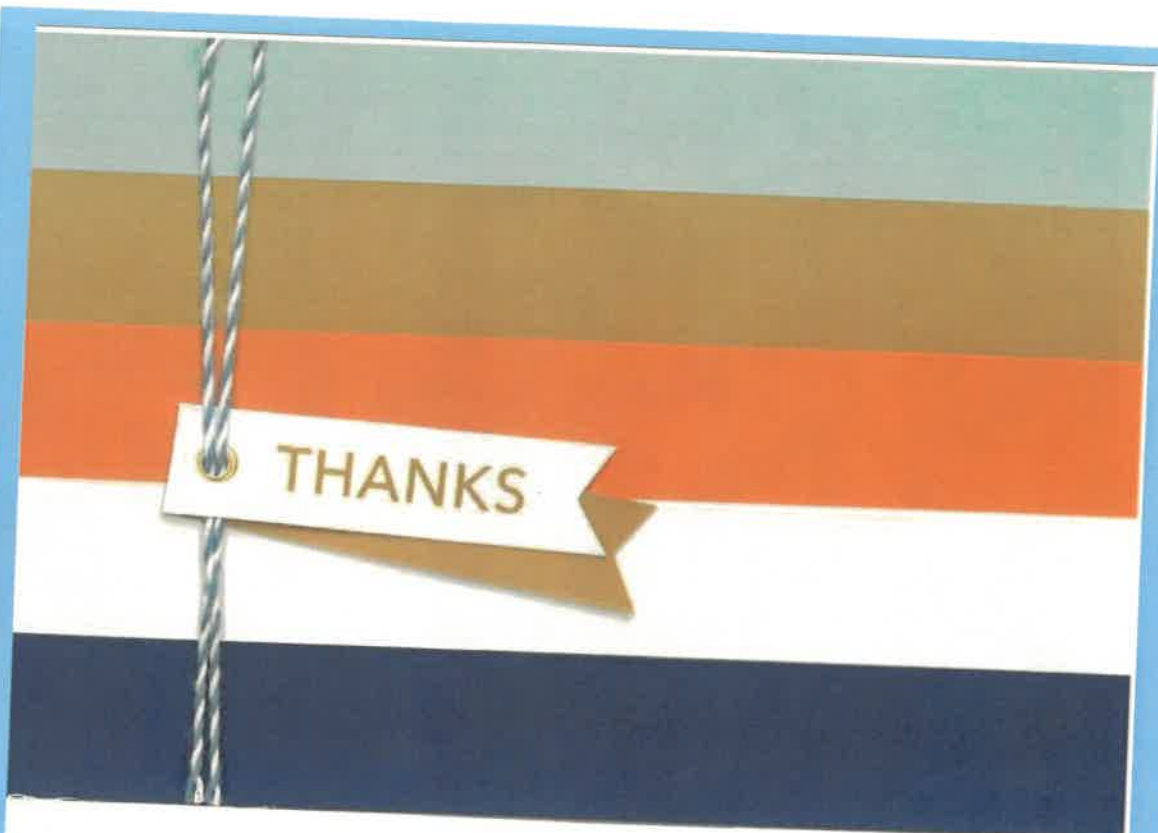

Thank you for being there and making people feel loved and special. I am excited to serve beside you in 2026 and to see all the good we will do together my friends.

Yours in love and service,

Kristin Senne
