

Give the Gift of Reading Through **BOOK DONATIONS**

"A book is a gift you can open again and again."

-Garrison Keillor

Research shows that making books available to impoverished children can significantly improve their literacy skills and academic potential yet nearly two-thirds of low-income families own no books for their children.

Help us fill families' bookshelves through your donation of new books for children ages 3 -12 and give the gift of reading.

Children ages 3-12 enrolled in the Children's Project receive a stack of brand-new books in their birthday box and a brand-new book at Christmas.

In order to provide enough books for all the children in our program we need nearly 7,000 books a year!

Consider donating new copies of your favorite titles or host a book drive at work, at school or through an organization or club.

Donations are accepted on weekdays year-round:
