

Back to School Drive for the Children's Project

Remember the exciting feeling of having new school supplies? Your donation will allow a child in need to feel that same sense of preparedness and optimism!

We anticipate giving out nearly 1,000 backpacks full of school supplies this year.
Please help us set up local children for success.

Our most needed items are:

black EXPO chisel tip dry erase markers

sturdy pencil boxes and pouches

plastic 2-pocket folders

wide / college rule spiral notebooks

wide / college rule filler paper

12 count colored pencils

10 count broad or fine line markers

24 count Crayola crayons

1" solid color binders

traditional pink erasers

index cards

Please Note: Moving forward into 2027 and beyond we will be focusing solely on providing each child with a robust set of school supplies. Therefore, we are no longer requesting donations of backpacks.

Your generous support means children can focus on school and learning without the worry of their family having to decide between purchasing school supplies and paying a bill.
